

# JO CROFTS ART

Art That Captures The Soul

## PET PORTRAIT COMMISSION GUIDE

### WELCOME

Thank you for considering a portrait of your beloved companion.

Each piece is hand-drawn using professional-grade materials on archival-quality paper, and finished in my signature black background style (or your chosen alternative). From the first consultation to the final pencil stroke, I'll guide you every step of the way to create a deeply personal artwork that captures the spirit and soul of your pet.

### WHAT'S INCLUDED

- One pet portrait in my signature black background style
- Certificate of authenticity
- Premium professional-grade materials
- Personalised consultation and mock-up
- Tracked and insured UK delivery
- Option to request a white background during mock-up process

## COMMISSION PROCESS

### 1. Contact Me

Tell me about your pet, share reference photos, and choose your preferred size. We'll chat via email or video.

### 2. Mock-Up

I'll create a visual layout preview for your approval before I start drawing.

### 3. Creation

Your portrait will be drawn with care and attention to detail. I'll send you progress updates as I go.

#### **4. Delivery**

Your finished portrait will be posted to you securely, ready to frame or gift.

## CLIENT WORDS

***“Apart from the obvious skill of your work, you’ve captured the essence of her. It’s a portrait of Scout — not just a ‘generic Airedale.’”***

**– Jayne**
